♦ I look forward to this class every year, and appreciate all the time, love, energy and thought put into it. Some people were born to teach, and Garrett is one of those people. ♦ As always, I learned something new today. (AW) Thanks for another wonderful program (KC) ♦ Kept me engaged and thinking all day. ♦ Well done course - every year. Thanks. ♦ Thank you for all of your hard work in Year in Review, I wanted to personally express how helpful it was. (RB) ♦ Great job on the Year in Review. (SK) ♦ The course continues to be superb. ♦ Never stop doing these seminars! And keep the video option. ♦ Amazing job covering so much material! Thank you! ♦ Garrett's staff, Brenda and Pat, are always so helpful and great. ♦ As usual, this seminar is outstanding. ♦ lots of information provided. ♦ I like the combination of the two speakers, makes the presentation more engaging. ♦ Really, the best of the annual update courses. ♦ Always great job. ♦ Love the course each year. ♦ I watched your program today. I thought it was excellent, and doubly so because you discuss so many non-family law cases that I might not catch over

the course of the year. You and Mark Juhas do a great job explaining the significance of those cases. That's invaluable. (KC) ♦ Keep up the good work. ♦Excellent CLE. Truly. Thank you for doing it! (SP) ♦ Looking forward to next year! ♦ When I called to obtain my MCLE certificate, the person on the phone was so friendly and helpful. I got my certificate very quickly. Thanks! ♦ This is the best annual seminar - again. :) ♦Very informative. Wonderful update. Thank you.♦ This seminar is such a treat. Presenters go through the simple concepts and then hit the more complex and describe the situations in a manner that makes them understood.♦ Thank you ATTY BRIEFCASE. I cannot imagine practice without BriefCase. Thank you Judge Juhas and Garrett for all of your hard work and time. I truly appreciate you both. ♦ Course gets better and better. It is clear that the presenters do listen to comments. I really appreciate this class and am tremendously grateful for all of the hard work that obviously goes into it. Thank you! ♦ I appreciate what you do for us as attorneys. Thank you. ♦ Thank you! Very informative! ♦ Great as usual ♦ Awesome as always ♦ I always hang on to the course materials and consult them throughout the year. I like having the ability to download them digitally so I don't have voluminous binders of paper.♦ Another excellent webinar. Well-prepared, thoroughly discussed. Intelligent, articulate. Thankyou Garrett and Mark. ♦ Thank you for making the course virtual! ♦Wonderful job. As one who is still relatively new to family law, this was incredibly helpful. ♦ Really fantastic presentation. Plus, your staff was attentive and quick to help. I will attend again and recommend to others. Thank you. ♦ Loved it! ♦ Looking forward to next year. I always learn something that helps me help my clients. ♦ Please, please, please do not discontinue virtual classes, or at least the opportunity for people to view the class online. ♦An awesome seminar, as always (except for the site crashing), you guys are GREAT! ♦I never cease to be impressed by the excellent work Garrett and Mark produce for this presentation. I am sad to think this will probably be my last annual update before I fully retire, but it has certainly proved interesting and enlightening over these many years. Good luck in the future. (DE) ♦Notwithstanding the technical issues - which always happen at the worst times - the seminar today was well presented and informative. I really appreciate you both doing all of this work. It helps my practice and my clients. (JA) ♦ Great Seminar as usual. (AP) ♦ Very informative, thank you! I also enjoyed hearing both perspectives on certain issues, especially where there were slight disagreements and some back and forth between the hosts. Kept it engaging. ♦ Both Mr. Daily and Judge Juhas did a great job. Other than the technical issues, the presentation has been the best yet.

Thank you for your kind feedback. We again apologize to those who experienced some technical difficulties with one of the broadcasts and assure you we have taken all available steps to ensure a smooth experience this year.
